ICENECDEV Communication of Engagement(COE)

A Statement of Continued Support by the Chief Executive

12th October 2016

To Our Stakeholders,

I am pleased to confirm that ICENECDEV-International Centre for Environmental Education and community development reaffirms its support to the United Nations Global Compact and its ten principles in the areas of Environment, Human Rights, organized Labour and Anti-Corruption.

In this communication of engagement, ICENECDEV has carried out a stakeholder Sensitisation Campaign to support the United Nations Global Compact and its ten principles.

We are also committed to sharing this information with our stakeholders and network of partners across the world.

Sincerely Yours

Fongoh Eric

ICENECDEV Coordinator

2. United Nations Global Compact Multi stakeholder Sensitisation Campaign

ICENECDEV organized a multi stakeholder sensitization awareness raising Campaign of the United Nations Global Compact on the 18th September 2015 at the Catholic University Dioceses Buea, South West Region, Cameroon.

ICENECDEV work closely with civil society organizations on communication on progress (COP) or communication on engagement (COE) as a participant of United Nations Global Compact and also exploring possibilities to encourage and promote other civil society organizations, cooperatives, business groups, common Initiative Groups, business associations, and companies etc to become active participant of the United nations global Compact in Cameroon and join the United nations Global compact local network Cameroon.

Impact:

- More than 43 participants from 33 organisations/Companies, have been educated and sensitized on the principles and benefits of the United Nations Global Compact
- Create a public awareness on United Nations Global Compact in Cameroon.

Lesson Learned:

- The civil society organizations and companies where interested to join the United Nations global compact and mainstream their activities to support the principles of the United Nations global compact.
- A lot of time and effort is taken for the impact of the United Nations Global Compact to reach the entire nation (Cameroon) due to limited material and financial resources.

Recommendation:

- ICENECDEV is already working and partnering with Ecotour Enterprise Cameroon and Chambers of Commerce to support United Nations Global Compact in Cameroon to create greater awareness and impact.

3.Measurement of Outcomes

- More than 100 organisations and Companies, have been educated and sensitized on the principles and benefits of the United Nations Global Compact and are interested to join the United Nations Global Compact
- Create a public awareness on United Nations Global Compact in Cameroon among 1,000 stakeholders through press and social media briefings.
- ICENECDEV is already working and partnering with Ecotour Enterprise Cameroon and Chambers of Commerce to support United Nations Global Compact in Cameroon to create greater awareness and impact.
- Participate in Regional Local Network meeting Lagos ,Nigeria-23rd and 24th November 2015.
