Subject: Communication on Engagement (COE)
– ***Grace period request***

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to reorganizational changes within our organization and change of executive staff on the position related to CSR activities relevant to Global Compact.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by February 1st, 2017 (max 90 days from current deadline) at the latest.

Sincerely yours,

Tomislav Radoš, Ph.D.
Vice president
