Dear Mr Secretary-General,

**Australia Post 2016 Communication on Progress submission**

I am pleased to confirm that Australia Post continues to support the ten Principles of the United Nations Global Compact with respect to Human Rights, Labour, Environment and Anti-Corruption, to which we first became signatory in 2010.

We remain committed to incorporating the Global Compact and its principles in our business strategy, culture and daily operations.

This year, I also committed to the CEO Statement of Support for the United Nations' Sustainable Development Goals (SDGs), initiated by the local Global Compact Network Australia, as a sign of our public commitment to achieving these goals.

We are pleased to submit our Annual Report which highlights our company's efforts to implement the ten principles over the last 12 months and our ongoing commitment to the SDGs.

Australia Post supports transparency and we commit to sharing this information with our stakeholders using our primary channels of communication.

Yours Sincerely,

A handwritten signature in dark ink, appearing to read 'Ahmed', with a stylized flourish at the end.
