Dear Mr Secretary-General

I am pleased to confirm CPA Australia's continued support of the ten principles of the United Nations Global Compact and respect to human rights, labour, environment and anti-corruption.

With this commitment, we reaffirm our intent to advance these principles within our sphere of influence, and make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the United Nations Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialised initiatives and workstreams, engagement partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Yours sincerely
