**To our stakeholders:**

We recognize that a key requirement for participation in the UN Global Compact as a non-business member is the preparation and posting of a Communication on Engagement (COE), a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE reports from 2012-2013 and 2014-2015 due to organizational changes in the departments responsible of compiling the information and submitting the report.

We hereby ask for an extension period in order to be able to post a COE that describes our institutions' efforts and progress to implement the principles of the UN Global Compact. Our COE reports from 2012-2013 and 2014-2015 will be posted on the UN Global Compact website by December 18, 2016, at the latest.

Sincerely yours,
