

# PRAIRIE VIEW A&M UNIVERSITY

A Member of The Texas A&M University System

October 25, 2016

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This year, we are late in creating, sharing and posting our COP report due to a move to the new building and accreditation visit.

We hereby ask for an extension period in order to be able to submit a COE and post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 25, 2017 at the latest.

Sincerely yours,

---
