Grace request

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to an unexpected heavy workload in the last months. This is the first time we have to publish a COE, unfortunately we misjudged the amount of work that comes with preparing such a paper. We need more time if we want to publish a good overview about our work concerning the goals of the UN Global Compact.

We hereby kindly ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by January 30, 2017 at the latest.

Sincerely yours,

Robert Dorsel
