

Film Name – Holy Basil

## Synopsis

Holy Basil (Queen Herb) is not just a tree, with enormous health benefit, but it represents the philosophy of sustainability. The core philosophy of sustainability is a need to live the present in a way , that doesn't jeopardise the future. Are we doing that . This is a short film on Environmental sustainability , produced by Sri Joydip Ashram in association with Yes Foundation which is the official selection of Indiewise International Film Festival 2016 on how together we can create a sustainable world. <https://www.youtube.com/watch?v=OpTkoBaDpXY>
