To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the acquisition of the cooperative ARP (Agricultori Riuniti Piacentini), society with headquarter in Gariga di Podenzano (PC), merged in Consorzio Casalasco del Pomodoro at the beginning of this year. This required a re-planning of projects started in order to align the three productive plants.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31/12/2016, at the latest.

Sincerely yours,

Name Mr. /Ms. Costantino Vaia
Managing Director
