

25 October 2016.

Mr Ban Ki-Moon,  
Secretary –General,  
United Nations,  
New York,  
NY 10017, USA.

Dear Mr. Secretary General,

This is to confirm that Pro Natura International, Nigeria fully supports the ten principles of the UN Global Compact with respect to Human Rights, Labour, Environment and Corruption.

We will continue to improve the integration of the Global Compact and it's principles into our business strategy and business operations.

We are committed to continually support the Global Compact, by advancing the principles of the Global Compact and also make a statement of our commitment to our stakeholders and the general public.

By virtue of our support for accountability and transparency, our organization is committed to reporting on the progress made within two years of joining the Global Compact, and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Omoniye Olakoya.  
Acting Executive Director.
