GRACE LETTER

Dear Ms Filipić,

I am writing to you on behalf of the Croatian Association of Professionals in Nature and Environment Protection (HUSZPO) and our submission of COE, deadline of which is October 31st, 2016. We have prepared the COE but we came across other difficulties.

As we have changed the person in charge for the Association, and now the Association president is me, Marta Brkić, we do not have access to our profile on the UN Global Compact Website. We tried to ask for a new password, but apparently our username, e-mail address is not recognized. We believe this is due to fact that the registered e-mail address for our Association is not our official e-mail address huszpo@huszpo.hr.

Therefore, we kindly ask for an update of our registration, meaning that huszpo@huszpo.hr should be set as our username, for which we could then ask for a new password.

Due to that we additionally kindly ask you for COE submission deadline extension, so that all of the above mentioned registration changes can be implemented.

Thank you and kind regards,

President of Croatian Association of Professionals in Nature and Environment Protection

Marta Brkić,
