Re: UN Global Compact

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the election of a new President of Workability International. We are delighted that Mr. Gerald Davis of Goodwill Central Texas will fill this important role.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30 November 2016 at the latest.

Sincerely yours,

Ms. Katherine McLellan
General Secretary
Workability International
