1. Statement of Continued Support

Date : 30th Oct. 2016

To : UN Global Compact

In my capacity as Director General of Sudanese Development Call Organization (NIDDA), hereby I confirm our believe in and full commitment to the UN global compact and its ten principles.

In this Communication on Engagement, NIDDA communication officer describes our actions to support the Global Compact and its principles.

NIDDA commit is to share this information with our stakeholders using our primary channels of communication.

Medani Abbas Medani

A handwritten signature in blue ink, appearing to read 'Medani', is placed over the printed name.

Director General

2. NIDAA In Brief

2.1 Introduction

NIDAA is a non-political, non-governmental, non-profit and non-discriminatory organization, established in 1998 and registered in Khartoum, Sudan under the auspices of the Humanitarian Aid Commission (HAC) in 2000. NIDAA joined UN Global Compact in 2010 and has been actively engaged in relevant activities since then. Partnerships were developed over the years with a number of Private Sector Companies to implement activities in deferent sectors with a focus on capacity building for both community members and civil service personnel. NIDAA is still working in building partnerships with more private sector companies to support communities through improving the Environmental context of local communities.

2.2 Our vision:

A Sudan where every citizen is empowered to lead -or be part of- the positive change process and has the freedom to pursue his/her aspired

2.3 Our mission:

NIDAA is dedicated to serve, mobilize and motivate the Sudanese society, longing for desirable change through training, advocacy and sustainable community development.

2.4 Fields of Work

NIDAA organization works generally in the fields of development and capacity building, particularly in the following sectors:

- a. Education
- b. Protection
- c. Food security & Livelihoods
- d. Economical Empowerment
- e. Health
- f. Water sanitation and hygiene
- g. Peace building and conflict transformation
- h. Recovery returns and reintegration

3. Activities:

1- Enhancing self reliance of Economically vulnerable people of North Kordofan State – (Jun. 2016 – Ongoing)

Partners: Norwegian Church Aid, Ministry of Social Welfare

Small scale enterprises were established in the Local Community with consideration to gender representation.

Indicators:

- A number of three enterprises were established and provided with means of production and technical assistance.

Relevancy:

- a. Members of the enterprises received awareness on anti-corruption measurements including financial management and transparent reporting among others.
- b. Support the registration of these enterprises in order to be able to join the relevant business trade unions.

2- Unstructured Business sector Workshop (Oct. 2016)

Partners: Arab NGO Network for Development, Federation of Sudanese Businessmen

Indicators:

- 15 attendants participated in the workshop representing civil society organizations, academia, businessmen and journalists.

Relevancy:

- a. The workshop aims to discuss the issues related to Human rights, anticorruption and environment in the unstructured business sector.

3- Regional Workshop on Business and Human Rights. (Sep. 2016)

NIDAA attended the workshop as the Focal point for the ANND in Sudan, Mr. Medani Mohammed the Director General represented NIDAA in this workshop.

The workshop promotes the Human Rights in businesses in MENA region.
