Subject: Grace Letter

15 November 2016

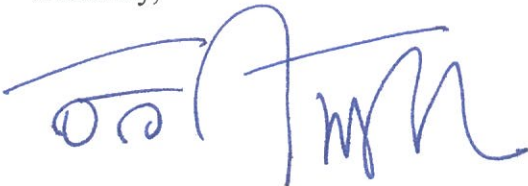

Dear United Nations Global Compact Office,

As a UNGC participant since 2014, Akçansa Çimento Sanayi ve Ticaret A.Ş. publishes sustainability report which also serves as Communication on Progress (CoP). This year, Akçansa's CoP submission date has been reset to November 15, 2016. Due to unexpected delay in our reporting schedule, we intend to publish our latest sustainability report this year in December 2016.

Therefore, we hereby ask for an extension period of 90 days in order to be able to post a CoP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

We appreciate the consideration given to our request, and we greatly value our continued support to the UN Global Compact.

Sincerely,

Özgür Öztürk

Raw Materials and Environment Manager
