Dear authorities of the Global Compact - UN

Acería del Ecuador ADELCA, is deeply committed to the Principles of the United Nations Environment Program. We recognize that a specific key requirement for being part of the UN Global Compact, is developing and posting a yearly Communication on Progress (COP) that comprises a CEO statement of continue support to the UN Global Compact, a description of practical actions related to its Principles, and a measurement of outcomes, or expected outcomes.

We are late in creating, sharing and posting our COP report due the company is in the construction of a new facility for two years. At the end of this phase we will make our report with the global information compendium of the company.

Hereby, we respectfully ask you for an extension period to post the COP, describing company efforts and progress to implement the Principles of the UN Global Compact. Our COP could be posted on the UN Global Compact website, by February 21st, 2017 at the latest.

Sincerely yours,

Carlos Avellán Eng.

President
