

25 November 2016

To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to an unforeseen project workload in our business and human rights consulting company. twentyfifty is a small business, which is why this workload has impacted our ability to publish our COP report by the deadline.

We hereby ask for a short extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 21 December 2016 at the latest.

Sincerely yours,

Luke Wilde

Chief Executive
