To United Nations Global Compact,

**RE: Request for permission to align the COP deadline with the Edcon Limited internal reporting cycle**

Edcon Limited is a proud signatory of the United Nations Global Compact. We understand that a key component of continuous participation in the UN Global Compact is the preparation and submission of a communication on progress (COP), which comprises of; a CEO statement of continued support of the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, a measurement of outcomes or expected outcomes as well as commitment towards the sustainable development goals (SDG's).

Edcon Limited hopes to align our COP deadline with our internal reporting cycle. We hereby request our COP deadline to be adjusted to 1 June 2017.

Sincerely Yours
