Reporting Team  
United Nations Global Compact  
685 Third Avenue, FL 12  
New York, NY 10017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

At this moment, we are focusing on closing our fiscal year and fulfilling client needs. Our obligations to our clients' year-end priorities has delayed us from creating, sharing and posting our Communication on Progress report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **March 15, 2017**, at the latest.

Sincerely yours,
