

Warsaw, 22nd December 2016

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to unforeseen needs for changes in our internal organizational structure that have occurred in December 2016 and are envisaged to be addressed by the end of January 2017.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 15th March 2017 at the latest.

Sincerely yours,

Mr. Jacek Kotrasiński
