

Engage with Global Compact Local Networks	AndChristie Research Foundation is partnered with several non-business organizations such as the Centre for Ethics and Sustainable Development to advance corporate sustainability locally.
Join and/or propose partnership projects on corporate sustainability	On the 29 th of July 2016, AndChristie Research Foundation held a stakeholders forum with banks, civil society groups and political figures, discussing the patterns of women's economic empowerment in Nigeria and how to improve it.
Engage companies in Global Compact-related issues	AndChristie Research Foundation has worked with Etisalat (a Nigerian telecommunications company) to improve its corporate social responsibility profile, particularly in the areas of STEM (Science, Technology, Engineering and Mathematics) funding for low-income students.
Join and/or support special initiatives and work streams	AndChristie Research Foundation is working with the Department for International Development to study the oil and gas sector in Nigeria, working to improve transparency and sustainability in the sector.
