

CEO Clubs Network

2 January 2017

To Our Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to my extensive traveling this month as I need to review Communication on Progress (COP) documents making sure that all the aspects are covered in our document as we have taken multiple practical actions in regard to the principles of the UN Global Compact in our organization. So we request an extension of submitting COP for up to 60 days but will try to submit at the earliest and continue be part of UN Global Compact.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by the 30 March 2017 at the latest.

Sincerely yours,

Tariq Ahmed Nizami
