To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the preparation of the annual report and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Therefore, we would like to inform you that marketing department of Societe Generale Srbija has been reorganized and we would like to kindly ask you for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Thank you in advance,
