To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

However, we must report that we are late in creating, sharing and posting our COP report due to manual recount.

We hereby ask for an extension period in order to be able to post a COP that describes our organization's efforts and progress in support of the UN Global Compact. Our COP will be posted on the UN Global Compact website by March 31, 2017, at the latest.

Thank you for your understanding.

Sincerely yours,

Kiyoshi Araki
