

# International Peace Commission

DEVOTED FOR INTERNATIONAL PEACE & PROSPERITY

<http://www.ipc-online.info>

## Part III. Measurement of Outcomes

1. Public Advocacy
2. Seminars and workshop
3. Training and awareness campaign through social media ,Live events and Volunteers.
4. Sponsored volunteers and organizations to organize advocacy campaigns and events to educate local business organization about UN global compact participation.
4. NGO networking to create greater campaigns and projects

**Conclusion:** International Peace Commission believes Youth, peace and development are closely interlinked.

Peace enables development, which is critical in providing opportunities for young people, particularly those in countries emerging from conflict. Healthy, educated youth are in turn crucial to sustainable development and peace.

The International Peace Commission is dedicated to bring together a wide range of Civil Society Organizations from International to local levels, to consolidate and strengthen the disarmament and peace efforts of Organizations and individuals around the world because Without Peace there cannot be Prosperity.

International Peace Commission reaffirm that it will continue to uphold the 10 Principals of UN global in the coming years and will do its level best to serve the humanity.
