To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Multiconsult regards corporate social responsibility (CSR) matters as an integrated part of our core business and as such our COP is published as an integrated part of our annual report. We will publish our annual report for 2016 in March this year. We are therefore late in creating, sharing and posting our COP report, as it will only be made available in March.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15th of April 2017 at the latest.

Sincerely yours,

GURI MARIE LINDMARK

Head of Environmental and Corporate Responsibility
