Dear Mr. Secretary-General,

I am pleased to confirm that Telekom Romania is continuing to support the ten principles of the Global Compact on human rights, labor, environment and anti-corruption, as part of the international group Deutsche Telekom.

Our CR Report 2015, which stands as our first Communication on Progress (COP), demonstrates that we are committed to keep the Global Compact and its principles as part of the strategy, culture and day-to-day operations of our company. Telekom Romania will continue to promote this commitment to our stakeholders and the general public.

Sincerely yours,
