DT: 27/01/2017.

Dear Mr. Secretary General,

Statement of continued support by the Chief Executive Officer

Statement of the company's chief executive (CEO or equivalent) expressing continued support for the Global Compact and renewing the company's ongoing commitment to the initiative and its principles.

To our stakeholders:

I am pleased to confirm that **Delta Exim Services** reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of human rights, labor, environment and anti-corruption.

In this Communication on Progress we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

Yours sincerely

For Delta Exim Services

### Human Rights

- Assessment, policy and goals
- Description of the relevance of human rights for the company (i.e. human rights risk-assessment).  
Description of policies, public commitments and company goals on Human Rights.
- **Delta Exim Services** actively supports the Universal Declaration of Human Rights. We will not carry out business with any countries or regimes where flagrant human rights abuses are known e.g. torture, politically motivated disappearances etc.  
**Delta Exim Services** is committed to ensuring that all our employees are treated fairly and with respect.  
In the coming years we will work with our significant supply chain partners to see if they are signatories to the Global Compact and if they are not to actively encourage them to support and join the Compact
- Implementation
- Description of concrete actions to implement Human Rights policies, address Human Rights risks and respond to Human Rights violations.
- **Delta Exim Services** has a Grievance Procedure in place and offers mediation to staff at work as a first stage resolution to any problems experienced in the work place.  
Where there are changes within the organization extensive consultation exercises are run to ensure staff are involved in the process.  
We are an equal opportunity employer and very committed to follow all the applicable statutory requirements like employee insurance, maternity leave etc.,
- Measurement of outcomes
- Description of how the company monitors and evaluates performance.

### **Labour rights**

- Assessment, policy and goals
  - Description of the relevance of labour rights for the company (i.e. labour rights-related risks and opportunities). Description of written policies, public commitments and company goals on labour rights.
- 
- **Delta Exim Services** supports the labor conventions and will not do business with any organization who uses forced labor or child labor.  
All our employees are issued with an employment letter which clearly states their terms and conditions including pay rates and overtime pay arrangements. All the social security & insurance benefits due as per regulations are paid to the necessary authorities
  - Implementation
  - Description of concrete actions taken by the company to implement labour policies, address labour risks and respond to labour violations.
- 
- **Delta Exim Services** consults with staff on a continuous basis - each year we hold a review day which everyone attends and where the MD does a re-cap on the past year, appraising staff of what we have achieved, where we are going and thanking individuals who have made a specific contribution.  
We value being an equal opportunity employer
  - Measurement of outcomes
  - Description of how the company monitors and evaluates performance.
- 
- At all levels we have a good mix of female and male. **Delta Exim Services** works in areas which are by their nature quite male dominated, but this in no way reflects our approach to encouraging and promoting staff within the organization.  
We run annual appraisals each year to identify personal development needs and training requirements and these are implemented as quickly as possible.  
We have not been involved in any investigations, legal cases or other relevant events related to the contravention of the Global Compact Labor principles.
