

A. FAKHRY & CO.
CRAFTERS OF AROMATIC RAW MATERIALS FROM EGYPT, SINCE 1955

Dear Global Compact Egypt,

We recognize that a key requirement for participating in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principals of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the renovation of our factory which is keeping up very busy.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 8 May 2017 at the latest.
