To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the Communication on Engagement (COE) every two years that comprises of a chief executive statement of continued support for the UN Global Compact principles and renewing the participant's ongoing commitment to the initiative, a description of practical actions to support the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to organizational changes within the team of the FIEV.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by May 23rd at the latest.

Sincerely yours,

Pascale PREVOST
Human Resources Director
