

8th of March 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

In order to provide more up to date measurement of outcomes and better facilitate our work on reporting, we want to align our COP deadline, financial year and internal reporting cycle. We hereby request our COP deadline to be adjusted to 30<sup>th</sup> April.

Sincerely yours,

Mrs. Stiina Snäll
