## **Communication on Progress 2016**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are finalizing our COP for 2016, but due to internal processes we are slightly late given the deadline of March 11<sup>th</sup>. We hereby ask for an extension period in order to complete the COP. Our new COP report will be posted on the UN Global Compact website by March 30<sup>th</sup> the latest.

Sincerely yours,
