14<sup>th</sup> March 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are very committed to the principles of the UN Global Compact, but have been late in creating, sharing and posting our COP report due to high levels of workload.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by the 30<sup>th</sup> April 2017 at the latest.

Sincerely yours,

John Peters, CEO
