Dear Mr Secretary-General

I am pleased to confirm that National Australia Bank reaffirms its support of the 10 principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

We remain committed to incorporating the Global Compact and its principles within our business strategy, culture and day-to-day company operations. We also commit to engaging in collaborative projects that contribute towards advancing the Sustainable Development Goals, and reporting on our progress.

National Australia Bank supports public accountability and transparency and we clearly state our commitment to the Global Compact on our company website.

We are also pleased to submit our fifth annual Communication on Progress (COP) that describes our company's efforts to implement the 10 principles over the last 12 months.

We will continue to report on progress annually according to the Global Compact COP policy.

Yours sincerely
