

Statement of CEO
Date: 30 September 2016

Dear all stakeholder

- In the last year, we are supporting in facilities for labors, public affairs, and humanitarian aid for disaster. COP can be checked in www.unglobalcompact.org
- Today in business is more suitable not only for profit but also we need to take care for people and environment.
- I believe, we can create better world by sharing some apart of our profit.
- Accordance with the participation of the member of UNGC global compact, I have decided to participate continuous member.
- At the same time, we will follow the basic need of 10 principles of UNGC.

Your kind regards

Sai Yee Kyauk
CEO/Managing Director
Lucky Drinking Water Co., Ltd.
