Boulogne-Billancourt, March 17th, 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to this year's French presidential elections (April 27th and May 7th, 2017), Groupe Renault has decided to postpone its 2017 Annual General Meeting by 6 weeks to June 15th, 2017. As a consequence, Groupe Renault's 2017 Registration Document (official document for COE) publication date has also been exceptionally postponed to mid-April this year. This is the reason why we are late in creating, sharing and posting our COE report.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by April 28th, 2017 at the latest.

Sincerely yours,

Mr. Oliver FAUST
VP Corporate Social Responsibility
