

The best feeling of
HAPPINESS
is when you're happy
because you've made
somebody else happy.

Dear GANNI

Thank you once again for your generous donation of clothes for our Fashion Fundraiser in Cape Town.

We are now one big step closer of reaching the funding needed to build the crèche for the children in Mew Way, Khayelitsha, site B.

We have raised R110.000 out of the R150.000 needed.
We would not have been able to do this without your help!

Warm regards and thank you
