

Jakarta, 4th April 2017

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the plan to finalize our Annual Report on April 30th, 2017. In relation to that plan, we would like to request for an extension to submit and upload our new COP report by May 3rd, 2017 on the UN Global Compact website.

This COP submission would describe our company's efforts and progress to implement the principles of the UN Global Compact.

We would say thank you for all your understanding and cooperation.

Sincerely yours,

Dr. Haskarlianus Pasang
Head of Sustainability Policy and Compliance
