

## GRACE LETTER

El Ekeko Negocios S.A.

04/07/2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with the regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to problems over time we have had in last months to prepare it.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 07/07/2017.

Sincerely yours,

Ms. María del Pilar Huerta Salinas  
Jefe de Marketing y Publicidad - El Ekeko Negocios S.A.
