Dear Mr Secretary-General,

Petrofac has been a signatory to the ten principles of the Global Compact since 2009 and we remain committed to conducting our business in accordance with these principles.

We recognise that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP). Please find attached the Corporate Responsibility section of our Annual Report and Accounts, which contains an up-to-date description of our company's approach to human rights, labour, the environment and anti-corruption, as well as related performance measurements.

Yours sincerely

Ayman Asfari
