To  
Our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report due the death of our President Mr Floriano Reguitti, who got ill in a few mounths and died at the end of the year 2016. Me, as only daughter and owner of Reguitti spa together with my father and my husband, I had to work only on really urgent business to take care of him and of his part of job.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 9th of august 2017 at the latest

Sincerely  
yours

Ms Claudia Reguitti  
President Reguitti spa
