

April 19, 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our Annual Report forms the basis for our COP submission. As a result of a change in our fiscal-year end, our 2016-17 Annual Report will be published at the end of June rather than at the end of April as in previous years.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 18th, 2017 at the latest.

Sincerely yours,
