

To our stakeholders

April 24th, 2017.

Dear Sirs:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the acquisition of our Company by GBT Euro Travel Holdings B.V.: this change reflects our spirit of expansion and game-changing attitude, and should help deliver more products and services to our customers and to our entire ecosystem.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 31st, 2017, i.e. 90 days from COP deadline] at the latest.

Sincerely yours.
