

To our stakeholder

2017-04-25

We recognize that a key requirement for participation in the Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of the CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

However, we are late in creating, sharing and posting our COP due to new digital format to be published on our website, www.mtrnordic.se.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 16th of June 2017 at the latest.

Sincerely yours,
