

ADJUSTMENT REQUEST

COP Deadline

Jönköping, 2017-05-15

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Over the last years it has become more evident that we would benefit from having a deadline more linked to our yearly financial reporting cycle, as financial and sustainability reporting is becoming more and more integrated.

We hereby request our COP deadline to be adjusted to May 3, 2018.

Sincerely yours,

Mattias Hörberg
