Global Compact

Dear Sir or Madam,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating our COP report due to a new social project, which we started March 2017 and where we support social deprived people.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 18 June 2017 at the latest.

Sincerely yours,

Dr. Gabriel Lansky

Managing Partner
