To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the preparation and posting of a Communication on Engagement (COE) every two years that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to massive tasks occurring at the beginning of a new academic year.

We hereby ask for an extension period in order to be able to post a COE that describes our institution's new COE report will be posted on the UN Global Compact website by August 18, 2017 at the latest.

Sincerely yours,

Mr. Shunichi Horiuchi

Associate Director, Office of Global Education and Collaboration
