Office of the Director -General
Dr. prof K B N Rayana Dt 6th May, 2017
C/17.5

Dir. Gen., ref. UN

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to technical difficulties . i.e., a created hackers in our organization by external factors [factors are my own sisters and their goon group headed by political party...]

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by [2017-06-06, max. 90 days from COP deadline] at the latest. Sincerely yours,

With kind regards

KBN Rayana.
