Dear Mr. Secretary General,  
**RE: Commitment to UN Global Compact and the 10 Principles**

I am pleased to confirm that TLC Global Missions supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

Despite the passing of our founding Chairman, Ron Michael Vanin, on Sunday 21-May-2017 in Kampala after a long bout of Prostate Cancer; we commit to the Global Compact.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

1. Engaging with local UN Compact members as regards the right to health and social investment in health systems strengthening.
2. Proposing and joining partnership projects that nurture corporate sustainability while promoting social enterprise.
3. Participate in local Global Compact events
4. Encourage 20 other stakeholders in to sign up to the Compact.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact (COE) policy.

Your sincerely,

  
Thomas Munghono  
CEO  
TLC Global Missions Uganda
