

STATEMENT OF CONTINUED SUPPORT BY THE PRESIDENT AND CEO

Period covered by the Communications on Progress: June 2016 to June 2017

Bombardier Inc. has been a participant of the United Nations Global Compact (UNGC) since 2007. I am proud to affirm my continued support of the company's commitment toward the UNGC and its principles.

Since our last Communications on Progress in June 2016, we updated our sustainability pages on our corporate website to transparently communicate our continued commitment to create financial and non-financial value across our business and to operate safely, ethically and efficiently.

To view our sustainability update, please click [here](#).

Bombardier also continuously ensures the enforcement of the following policies and codes, upholding our commitment to the UNGC principles in our business and operations:

- [Human Rights Statement](#)
- [Code of Ethics and Business Conduct](#)
- [Health, Safety and Environment Policy](#)
- [Supplier Code of Conduct](#)
- [Diversity Policy](#)
- Employment Equity Policy
- Policy on Harassment Prevention

Below provides an index of our website's sections for more details on practical actions we have taken to implement each of the 10 principles during the year:

Human Rights

Principle 1: Business should support and respect the protection of internationally proclaimed human rights

Website section

Sustainability > Operations

Principle 2: Businesses should make sure that they are not complicit in human rights abuses

Website section

Sustainability > Operations

Labour

Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining

Website sections

Sustainability > Operations

Sustainability > Our performance

Principle 4: Businesses should uphold the elimination of all forms of forced or compulsory labour

Website sections

Sustainability > Operations

Sustainability > Our performance

Principle 5: Businesses should uphold the effective abolition of child labour

Website section

Sustainability > Operations

Principle 6: Businesses should uphold the elimination of discrimination in respect of employment and occupation

Principle 9: Businesses should encourage the development and diffusion of environmentally friendly technologies

Website sections

Sustainability > Products and Innovation
Sustainability > Operations

Anti-corruption

Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery

Website sections

Sustainability > Operations

We look forward to our continued participation with the UNGC as we move forward with our efforts to advance its principles.

Sincerely,

Alain Bellemare
President and Chief Executive Officer
Bombardier Inc.
