# President Statement of continued support

**Dear Mr. Secretary General,**

I am pleased to confirm Milal Heart Foundation continued support for the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

Milal Heart Foundation is dedicated to driving improvements in responsible and ethical business practices in 22 countries.

We recognize the vital role that the UNGC plays in advancing sustainable development across the global business community.

As a non-business signatory we will continue to promote the values of the UNGC with our members.

The Communication of Engagement (COE) below, outlines the actions and outcomes that our organization has taken over the last two years to support the UN Global Compact and its Principles.

We welcome any feedback.

Your sincerely,

# UN Global Compact – Communication on Engagement

## Human rights

1. Businesses should support and respect the protection of internationally proclaimed human rights;
2. Make sure that they are not complicit in human rights abuses.

*Treat everyone with respect*

Cardiac surgery: To respect the right of life

House building: To protect from Dengue fever, Malaria, Flu, etc

Milal Heart Foundation built total 15 houses for children (Philippines: 3 / Vietnam: 12)

## Labour

3. Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
4. the elimination of all forms of forced and compulsory labour
5. the effective abolition of child labour
6. the elimination of discrimination in respect of employment and occupation.

### *We dedicate to promote children going to school instead of work place*

- To offer education opportunities for children in poverty
- To cultivate global leaders for children who had cardiac surgery
- To support children who could barely afford the educational expenses
